TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Plaistow in the County of Rockingham in said State; qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Plaistow on Tuesday, the thirteenth day of March next, at nine o'clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriation of the same.
3. To see if the Town will vote to raise and appropriate the sum of Three Hundred Dollars (\$300.00) for the supervision and maintenance of a summer recreational program, the same to be administered by the officers of the Plaistow Parent Teachers Association.
4. To see if the Town will vote to raise and appropriate the sum of \$244.36 to be applied with an allotment by the State of \$977.42 for improvement of Town roads.
5. To see if the Town will vote to raise and appropriate the sum of \$150.00 for the exercises on Memorial Day.
6. To see what action the Town will take relative to the appointment of a committee to investigate the advisability of purchasing a five ton army truck (surplus) for

highway and snow removal work. This committee to include the Board of Selectmen and four others to be appointed by the Moderator in open meeting. Also to appropriate the sum of one thousand dollars (\$1,000.00) to defray the expense of the purchase, if purchase is deemed advisable by the committee.

7. To see if the Town will vote to adopt the provisions of Chapter 22 of the Session Laws of 1943.

8. To see what action the Town will take regarding the following Trust Funds:

Henry J. Sleeper	Fund	\$200.00
Edmund Denoncour	Fund	\$200.00
George H. Welch	Fund	\$100.00
William D. Mooers	Fund	\$200.00
Charles E. Shute	Fund	\$200.00
Ada Veroneau	Fund	\$200.00
Marchione and Stella DiFatta	Fund	\$100.00

9. To see if the Town will vote to support United States membership in a general system of international co-operation, such as that proposed at the Dumbarton Oaks Conference, having police power to maintain the peace of the world.

10. To hear the reports of Agents, Auditors and other officers and Committees heretofore appointed and pass any votes in relation thereto.

Given under our hands and seal, this 26th day of February, in the year of our Lord nineteen hundred and forty-five.

HARRY W. FLANDERS,
J. WESLEY WITHERELL,
DANIEL J. KELLEHER,

Selectmen of Plaistow.

A true copy of Warrant—Attest:

REPORT OF LIBRARY TRUSTEES

From February 1, 1944 to December 31, 1944

During the past year the Library suffered a major loss, by the death of our Librarian Mrs. Flora M. Kelly, who died on April 2nd, 1944. Mrs. Kelly was a Trustee of the Library during the years 1930 and 1931. She was appointed Librarian on September 1st, 1931 and served continuously until her death.

As a trustee, Mrs. Kelly took an active part in the management of the library. As librarian, she was faithful in attending to her duties, co-operative in her work with the trustees and unselfish and courteous in her labors with the public. In her work with the children she was very successful, both in the library and in connection with the Reading Club that was established in the Pollard School. Mrs. Kelly was very proud of her association with this group.

We wish to thank Mrs. Ruth Leathe for serving as Librarian during Mrs. Kelly's illness and until the appointment of a new Librarian on July 1st.

In looking for a person to take Mrs. Kelly's place as Librarian, we believe we have been very fortunate to have Mrs. Ruth C. Cook, take over the Librarian's duties. Mrs. Cook was appointed acting librarian on July 1st, and Librarian on October 1st. She is a graduate of the Haverhill High School and the Keene Teachers' College and was a teacher for several years.

During the year 1944, the circulation has shown an increase. More money has been set aside this coming year for new books and magazines.

As will be noted in the treasurer's report we have set up a fund in order to purchase new library furniture and equipment after the war.

As the library work expands we find that more space

is really needed, but until the time comes when we can have our own building, we shall have to do the best that we can with the space available.

We hope that during the year 1945 every person in Plaistow will visit the library. It is your library because you pay for its upkeep through your taxes and the only return you will receive will be when you use its facilities.

PAUL D. PALMER,
MARY A. GILMAN,
PAULINE H. KEEZER,

Board of Trustees.

REPORT OF THE PLAISTOW FIRE DEPARTMENT

Following is the report of the Plaistow Fire Department from January 1, 1944 to December 31, 1944.

The department answered forty-two calls during the year. Eight of these were out-of-town. Five were chimney fires. Three were in factories. Three were fires in homes. There was one automobile fire and the rest were grass and woods.

The estimated fire loss was \$4,500.

The Board of Fire Engineers made fire inspections of public buildings in town under the act of the Legislature of 1943. Recommendations were given and were carried out by the responsible parties.

Respectfully submitted,

JOHN A. PALMER,

Chief

STATE OF NEW HAMPSHIRE
Forestry and Recreation Department
Concord

To the Selectmen of Towns
in New Hampshire.

Gentlemen:

A few Boards of Selectmen, at the request of their Town Forest Fire Wardens, have been good enough to arrange for the printing of a forest fire prevention notice similiar to the enclosed sample, in the forthcoming annual reports. At least one Board will use the back cover in this way instead of leaving it blank as is usually the case.

I really believe that this "kills two birds with one stone"—utilizes otherwise unused paper and help to conserve resources by preventing forest and brush fires.

Your co-operation in printing this or some similarly directed statement is earnestly solicited.

Sincerely yours,

JOHN H. FOSTER,

State Forester.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Plaistow:

It is with pleasure that I submit my annual report as Superintendent of Schools. This report deals with the Plaistow Schools for the school year July 1, 1943 to June 30, 1944. The School Nurse and the Supervisor of Music have given me brief reports of their work; which I transmit herewith, with the hope that they will be carefully read by many others besides the School Board.

As in the past, I am presenting much information about our schools in the form of statistics which, if carefully read in conjunction with other information furnished by the District Treasurer, and by the School Board in their reports, will give a clear picture of the size, cost, and many other details of the schools.

We have been fortunate in these times of teacher shortage to have such an excellent teaching force as we now have. Vacancies in the future will be difficult to fill, since almost no men and a greatly reduced number of women are being prepared for teaching at teacher's colleges. We, as citizens, owe our gratitude to the teachers who have remained loyal to their profession of teaching. These teachers are protecting our social structure from danger. What our civilization will be tomorrow, depends in large measure upon giving the right kind of training to the children of today.

From the viewpoint of administration, the classroom teacher becomes a most vital cog in the wheels of education. Anything which obtains, keeps and gives consideration to a good teaching staff is money, time, and effort spent to the best advantage. The pupils, and through them, the parents and society itself are the direct as well as the ultimate gainers. The taxpayers of Plaistow have wisely provided the increases in salaries recommended in the past and I hope the proposals of this year will likewise be adopted.

The enrollment last year, as will be seen by the table at the end of the report was 237 as compared with 213 the year before. The school attendance averaged 92.57 percent of the membership as compared with the state average of 93.12 percent.

Eighteen boys and girls completed the work of the eighth grade last June. All but one of these have entered a high school this year.

Teachers and pupils have co-operated in a commendable manner to meet the increased demands of war and have aimed to prepare the students for the peace which will follow. Demands for assistance in the war effort have been efficiently and cheerfully met. The school took part in the national drive to collect milkweed pods. The children gathered 69 bags of pods, the floss of which is to be used in the manufacture of life preservers to replace the usual kapok which can no longer be obtained from the South Pacific. Last spring a scrap paper drive resulted in the collection of about 3100 pounds of waste paper.

The sale of Victory stamps is still being participated in with enthusiasm. The sales totaled \$1,780.00 for the school year 1943-1944. This year the sales from September to January first have been \$428.30.

Many children are taking advantage of the opportunity to buy milk with an average of 725 bottles being used each week.

Our thanks are again due to the Parent Teacher Association for their continued interest in the welfare of pupils and teachers. It is through such co-operation of school and home that we have a will to give our children the best education we can afford.

For the second year public funds made possible the continuation of the summer playground project, under the sponsorship of the P.T.A. A second supervisor to work with the younger children was a great addition. I wish that the children of all towns might have the benefits of the training and direction in the use of leisure time that was so evident.

Sometime during the year and preferably about the

middle, it is necessary to check the progress made by the different grades. That can most accurately be done by using standard tests to measure our accomplishment. Such a testing program is used each year in grades one to eight inclusive and helps us to know more definitely the progress made. The results of these tests can be of great assistance as we attempt to meet the needs of every child.

Since the business of education is the most important single undertaking of any community, it is highly desirable that pupils get the most out of the public investment in their future. Loss of school time causes corresponding loss to the individual because make-up work is seldom as valuable as work done in class and in the regular course of events. We ought not to allow unnecessary absence to rob a child of his full educational opportunity. Furthermore both absence and tardiness strongly shape a pupils attitude toward his school. They also are a powerful influence in forming habits that will be carried into adult life. Mrs. Soule, School Nurse, has been very active in investigating problems of illness. The cases of voluntary truancy have been promptly investigated by Truant Officer Earle Buzzell.

The improved lighting program, started several years ago, was completed this summer. Five globes and strong light bulbs were installed in each of the four lower grades. That means that each room can have adequate light under all conditions.

America faces a crisis today. The crisis presents two paramount issues: how to win the war most quickly and effectively and how to reconstruct and adjust American life during the post war period.

Within the second of these issues the problem of education is unquestionably of great importance. The place given to education in the post war period will determine the roll of America for some time to come. Educational opportunity, vocational efficiency, effective citizenship, worthy home and community participation, and individual health and happiness—these can be reached only through a program of education that is modern in method, efficient in organization, adequate in finance, and forward looking in

purpose. America has made great progress along these lines, but much still needs to be done. Each community has an important part to play.

In conclusion I wish to express my appreciation for the fine co-operation and support of the school board, townspeople, parents, teachers and pupils during the year.

Respectfully submitted,

WILLIAM J. NELSON,

Superintendent of Schools

REPORT OF THE SUPERVISOR OF MUSIC

To Mr. William J. Nelson, Superintendent of Schools:

I hereby submit my annual report as Supervisor of Music in the Plaistow Schools.

Two new sets of books from The World of Music were added in September. Rhythms and Rimes a third grade book and Blending Voices for fifth grade. The World of Music is a new and attractive course, which deals with music problems through charming song material.

In the annual reports I have more than once given the aims of the work in detail; this year I will give a quotation from an outline of our series of text books; we seek "to develop power and enthusiasm in participation and enjoyment in listening."

The end of the year finds me, as always, grateful to the teachers, on whose assistance I rely to such a great extent. For your co-operation and that of the School Board, I wish to express my appreciation and thanks.

Respectfully submitted,

EVA W. THOMPSON

Another Enemy to Conquer

Here is a home front fight that everyone can get into. Last year in this State 558 brush and forest fires burned over 4,648 acres of land, of which 2,788 acres were valuable timber and young growth. With available manpower the lowest of any year since the war started, you can help to keep this loss down by preventing these fires from starting.

Keep in mind these simple rules:

1. Always get a permit from your forest fire warden before starting any fires in the open. Burning under certain conditions is permitted.
2. Never burn unless you have enough help to control your fire—a permit does not excuse you of negligence in case it gets away.
3. Always report any uncontrolled fire promptly to your forest fire warden. Minutes lost are acres lost.
4. Be especially careful with cigarettes, matches and pipes. Smokers caused most of our fires.
5. Never leave a fire unless it is dead out. You can't feel safe while there is a spark left.
